BJ Bennett spoke to council regarding a complaint. Mr Bennett reported someone came to him and stated a fire department official made negative comments about his location and the "riff raff" at Silver Circle. Mayor Moore stated that Mr. Bennett's sources need to come to speak with him immediately and if anything is found to be true, that person would be fired. Mayor Moore stated he takes this complaint very seriously and assured Mr. Bennett the Fire Department will respond, and first responders will do their job. Then, Mr. Bennett turned the conversation to who owns Silver Circle (the road). He claimed the county does not own or maintain it, and the city does not own it or maintain it, but no one will say he owns it. He also complained of trash from another business coming down to this property. Chief Thompson assured him he would look in to it.
